## Definition of 'Lift out Charge'.

To electrically disconnect and dismantle the machine as far as necessary to enable extraction from the building, then for the machine and all associated equipment to be loaded to suitable flatbed / open top transport. Should the machine in question need any further dismantling due to customers installation or shipping requirements we will be happy to quote for this further work.

This lift out charge does not include loading the items into shipping containers. Should this be a requirement, we again are happy to quote for this further work.

## Insurance:

INSURANCE COVER WHILST WE ARE ENGAGED IN HANDLING THE ITEMS EXTENDS TO A MAXIMUM MARKET VALUE OF £500,000 WITH A PUBLIC LIABILITY COVER OF £10,000,000 IN PLACE AT ALL TIMES. SHOULD THIS COVER BE INSUFFICIENT, FURTHER COVER CAN BE ARRANGED ON WRITTEN REQUEST.

In accepting this quotation, you agree to be bound by our Road Haulage Association 1991 Conditions of Carriage. A copy of which is available on request.
